ID	Region	Module	Equipment	Make & Model	Serial Number	Out of Service Date	Updated By
ST-1401	East	Avon Park	Support Truck	Ford F-350	License I581433	07/25/2018	Ray Powers
<p>The maintenance interval for the Ford F-350 is 10,000 miles. Maintenance intervals for most 2007 and earlier Ford / LM vehicles are every 5,000 miles with the exception of 2007 Ford Edge, Lincoln MKX and Lincoln MKZ which are every 7,500 miles.</p>							
ST-1601	East	Shaw AFB	Support Truck	Ford F-350 Single	License I581433	03/19/2018	Aaron Shelton
<p>According to the agency, the tires account for about one-third of the total maintenance costs of the vehicle. It advises inspection of tire air pressure and tread.</p>							
ST-1402	East	Avon Park	Support Truck	Chevy 1500	License I581433	07/23/2018	Connor Rouge
<p>Drivers are encouraged to look for fluid leakage on pavement under the truck, check the coolant, antifreeze, oil and fuel for leaks and whether there is the proper amount of fluid under the hood.</p>							
ST-1602	East	Shaw AFB	Support Truck	Dodge 3500	License I581534	04/13/2018	Mario Frank
<p>All lights including headlights, warning lights, flashers, clearance lights, turn signals, brake lights and other electrical components should be reviewed as well as wires to assure that everything is working properly and that the wires are not worn or loose.</p>							
TR-1601	East	Shaw AFB	Trailer	16' Trailer 2 axle	1005010117430005	03/13/2018	Floyd Nelson
<p>The parking and standard brakes should be checked to assure that there is a proper amount of lining remaining, that there are no leaks in the air pressure system, that the low pressure warning alarm works properly.</p>							
CS-1401	East	Avon Park	Chainsaw	Stihl MS 461	1005010117434523	03/12/2018	Nathaniel Smith
<p>A total maintenance program must be proactive and reactive. The idea is to minimize problems before they occur. However, there will be times when unscheduled repairs may be necessary.</p>							
CS-1402	East	Avon Park	Chainsaw	Stihl 362C	1005011425255678	03/13/2018	Victor Allen
<p>Things that are scheduled usually take place. That is probably why most people involved in fleet maintenance prefer scheduling maintenance activity.</p>
