

Aetos LLC Price Sheet for GIS Services

CATEGORY NAME	SERVICE NAME	SERVICE DESCRIPTION	List COST Per Unit	Discount % off MSRP	DIR Customer Price EACH/Per Unit
GIS Services - Application Development	GIS Developer	Builds and customizes GIS applications, tools, and workflows using programming languages and geospatial APIs.	\$150.73	10.75%	\$135.53
GIS Services - Application Development	GIS Developer, Sr.	Leads development of advanced GIS applications, integrating systems and guiding technical architecture for scalable solutions.	\$169.16	10.75%	\$152.10
GIS Services - Application Development	GIS Solution Architect	Designs end-to-end GIS solutions, integrating technologies to meet complex organizational needs and ensure long-term viability.	\$209.59	10.75%	\$188.46
GIS Services - Application Development	GIS Solution Architect, Sr.	Leads architecture of enterprise GIS solutions, setting standards and guiding system integration for large-scale implementations.	\$262.78	10.75%	\$236.29
GIS Services - Business Analysis	GIS Analyst	Provides geospatial data analysis, map creation, and spatial visualization to support decision-making and operational planning.	\$120.01	10.75%	\$107.92
GIS Services - Business Analysis	GIS Analyst, Sr.	Delivers advanced geospatial analysis and project leadership, supporting complex spatial data workflows and mentoring junior analysts.	\$149.59	10.75%	\$134.51
GIS Services - Business Analysis	GIS Business Analyst	Bridges GIS and business needs by gathering requirements, analyzing workflows, and translating them into GIS-based solutions.	\$124.48	10.75%	\$111.93
GIS Services - Business Analysis	GIS Business Analyst, Sr.	Leads strategic GIS initiatives by aligning geospatial tools with business goals and overseeing requirements gathering and solution design.	\$151.10	10.75%	\$135.87
GIS Services - Data Management	GIS Data Analyst	Processes and interprets spatial datasets to extract trends, generate reports, and support GIS-driven decision-making.	\$126.83	10.75%	\$114.04

GIS Services - Data Management	GIS Data Analyst, Sr.	Conducts high-level spatial data analysis and modeling, ensuring data integrity and optimizing data strategies for GIS initiatives.	\$153.90	10.75%	\$138.39
GIS Services - Data Management	GIS Database Architect	Designs and implements GIS database systems, ensuring scalability, performance, and integration with enterprise tools.	\$162.84	10.75%	\$146.43
GIS Services - Data Management	GIS Database Architect, Sr.	Leads the architecture of enterprise-level GIS databases, focusing on performance optimization, data governance, and long-term scalability.	\$197.77	10.75%	\$177.83
GIS Services - Data Management	GIS Database Engineer	Develops, maintains, and optimizes GIS databases, ensuring efficient data storage, retrieval, and integrity.	\$138.74	10.75%	\$124.76
GIS Services - Data Management	GIS Database Engineer, Sr.	Oversees GIS database engineering, managing complex geospatial data systems and ensuring secure, high-performance architecture.	\$168.72	10.75%	\$151.72
GIS Services - Data Management	GIS LiDAR Analyst	Analyzes LiDAR data for topographic modeling, infrastructure planning, and environmental monitoring.	\$138.01	10.75%	\$124.10
GIS Services - Data Management	GIS Remote Sensing Analyst	Processes and interprets satellite or aerial imagery to support environmental analysis, land use planning, and resource management.	\$169.21	10.75%	\$152.16
GIS Services - Data Management	GIS Specialist	Performs a variety of geospatial tasks including mapping, analysis, and data management to support operational objectives.	\$150.46	10.75%	\$135.29
GIS Services - Data Management	GIS Subject Matter Expert	Provides expert-level guidance on GIS technologies, data, and best practices to support technical teams and strategic planning.	\$339.41	10.75%	\$305.19
GIS Services - Data Management	GIS System Administrator	Manages and maintains GIS servers, software, and systems, ensuring reliable performance and user access.	\$222.22	10.75%	\$199.82

GIS Services - Project Management	GIS Account Executive	Manages client relationships, identifies GIS solutions to meet business needs, and drives sales of geospatial services and technologies.	\$274.53	10.75%	\$246.86
GIS Services - Project Management	GIS Customer Support Lead	Leads support operations for GIS users, resolving technical issues and ensuring high levels of customer satisfaction.	\$105.10	10.75%	\$94.50
GIS Services - Project Management	GIS Program Manager	Oversees multiple GIS projects and teams, aligning geospatial initiatives with organizational goals and ensuring timely delivery.	\$278.04	10.75%	\$250.01
GIS Services - Project Management	GIS Project Lead	Manages day-to-day activities of GIS projects, coordinating technical teams and ensuring tasks are completed on time and within scope.	\$175.34	10.75%	\$157.66
GIS Services - Project Management	GIS Project Manager	Plans and executes GIS projects, managing scope, schedule, and resources to meet project objectives.	\$161.14	10.75%	\$144.89
GIS Services - Project Management	GIS Project Manager, Sr.	Leads large-scale or enterprise GIS projects, ensuring alignment with strategic goals and managing cross-functional teams.	\$198.20	10.75%	\$178.22
GIS Services - Project Management	GIS QA Tester	Tests GIS applications and data for accuracy, functionality, and performance, ensuring reliable and high-quality outputs.	\$99.78	10.75%	\$89.72
GIS Services - Project Management	GIS Quality Assurance Manager	Leads QA strategy for GIS applications and data, ensuring deliverables meet organizational and technical standards.	\$157.94	10.75%	\$142.02
GIS Services - Project Management	GIS Security & Compliance Analyst	Ensures GIS systems comply with data security standards and regulations, managing risk and protecting sensitive geospatial data.	\$146.61	10.75%	\$131.83
GIS Services - Project Management	GIS Training Lead	Develops and delivers GIS training programs, enabling users to effectively utilize geospatial tools and systems.	\$173.11	10.75%	\$155.66
