

Aetos LLC is a CVE Certified Service-Disabled Veteran Owned Small Business (SDVOSB) and Minority Owned Business (MBE).

Aetos provides information technology solutions focused on building a business that is customer-centered and performance-oriented. We understand that your company mission is critical, therefore, we work with you to develop and implement your mission requirements, all along saving you both time and resources.

Providing world-class **IT Solutions** and **Products** to world-class organizations.

At Aetos, we are committed to understanding the customer first –the mission, the concerns, the priorities and fiscal realities. We actively listen and communicate effectively with clients to completely understand their unique needs.
